Approaching Keene on Route 12 from the South, at the first set of stoplights that you come to, go straight at the lights. See directions **For All**.

From Western Mass and Vermont:

Take Interstate 91 to Brattleboro, Exit 3. Take Route 9 East toward Keene. Approaching Keene from the West, at the Main Street intersection (2 sets of stoplights, 1 roundabout, then a third set of lights), turn left (North) onto Main Street. See directions **For All**.

From Eastern NH:

Approaching Keene on Route 101 from the East (Manchester & Peterborough), at the Main Street intersection (second set of stoplights that you come to), take the slip road right (North) onto Main Street. See **For All**.

For All:

Keep going up Main Street until you reach the head of the square. Take the second right onto Washington Street. You will see the Keene Middle School on the right. The church is on the right on the next block. The best parking is on Washington Street. Go down Taylor Street to the side entrance.
